

How to download photos from our Flickr

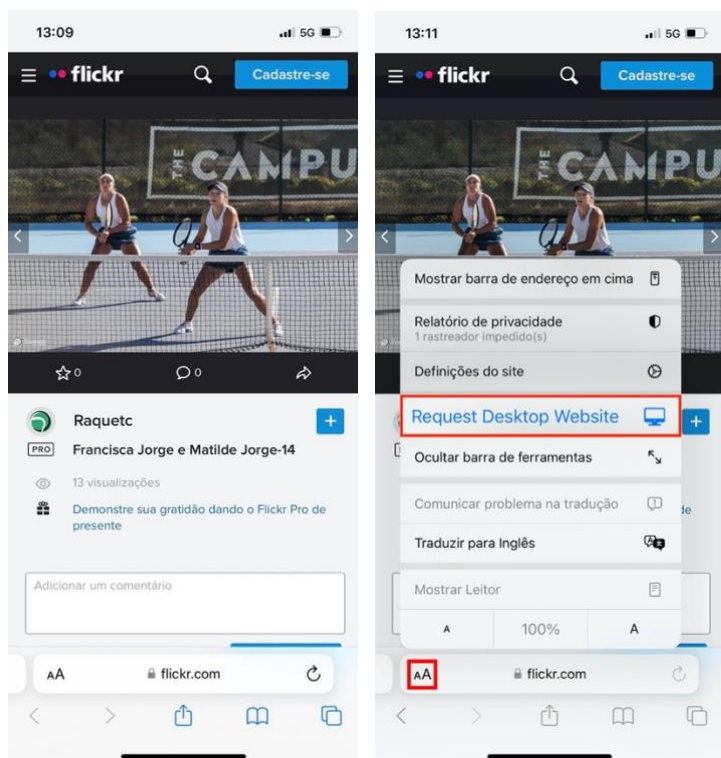

First you need to [open our Flickr account](#). Then,

If you're using a laptop, as soon as you open a photo you'll see an arrow pointing down. Just click on it and choose the size you want. You can also go to the albums list and download the full album.

If you're on a smartphone, after choosing a photo on Flickr check the settings of your browser and select "view/request desktop version". Doing so will allow you to see the arrow pointing down and download the photos.

Our photos are free to use for all players/their clubs as long as they tag us on social media (@raquetcom on [Instagram](#) & [Twitter](#)).
